

South Carolina.

Association.

The actual commencement of Hostilities against the Continent, by the British Troops in the bloody Scene on the 19th of April last, near Boston & the Increase of arbitrary Impositions from a wicked and despotic Ministry - and the Dread Insurrections in the Colonies, are Causes sufficient to drive an oppressed People to the use of Arms. We therefore the Subscribers, Inhabitants of South Carolina, holding ourselves bound by the most Sacred of all Obligations, the Duty of good Citizens towards an injured Country, and then fully convinced, that, under our present distressed Circumstances, we shall be justified before God and Man, in resisting Force by Force; Do unite our selves under every Tie of Religion and of Honour and a social as a Band in her Defence against every Invader. Hereby solemnly engaging that, whenever our Continental or Provincial Councils shall decree it necessary, we will go forth to secure her Freedom and Safety. This obligation is continued in full Force until a Reconciliation shall take place between Great-Britain and America, upon constitutional Principles - an Event which we most ardently desire. and we will hold all those Persons eni-mical to the Liberty of the Colonies, who shall refuse to subscribe this Association.
