

I don't want to be a slave
No more!

I don't wanna be a slave No
more. Let me loose. I work all day
and night. I hate my life, I don't get paid
a penny. I don't know a thing. I miss Africa.
We had a war. I don't like the yankees,
they make master mad. They always
take the chicken and get me
wiped for it.
