Volume I

It was sent to me from Hillabee upper Creek
As you are where you can see the report
To save appearances at least it might have
been worth the Commissioner time to terminate
it at the point

I have been visited by a deputation from
the twelve towns on this river chatta~~ho~~hochee
and receive from all them.

plough = plow

The begin to consult me upon all their private
and public concerns

The past year has been very sickly throughout
this nation by report they have lost 500 in the
spring by the Pleurisy
