Office of South Carolina Lunatic Asylum,

DR. P. E. GRIFFIN,  
Superintendent.

Columbia, S. C. Feb 25<sup>th</sup> 1884

Mr. R. J. Moody  
Hagood P.O. S.C.

Dear Sir:

Miss Moody had been getting on  
right nicely for a long time. but for the  
last week has been suffering to some ex-  
tent with depression of spirits & melancholy

She has improved during the past two  
days and we expect her to recover her  
usual quick & industrious disposition  
in a few days more.

She sometimes expresses a wish to go  
home but generally she seems to be  
very well satisfied -

Very truly -

W. T. Bates
