

Name \_\_\_\_\_ Partner's name \_\_\_\_\_

Today, you are an archeologist, a historian; it is your job to infer about the artifacts that you “dug” up. You know nothing about the person beyond the objects in your possession. Carefully inspect the objects to determine what can be concluded about this “mystery” person.

Object	What I believe the object to mean...
1.	
2.	
3.	
4.	

After the person “came to life” I discovered...
