

How did Eli Whitney change the South?

Shelby #16

Who was Eli Whitney?	What did he invent?	What difference did that make in the South?	What do you think happened because of that?
Eli Whitney was an inventor	Eli Whitney invented the cotton gin.	Eli Whitney made it so it wouldn't take so long to get the seeds out. Also, to make it easier to get the seeds.	So it didn't take hours or days to pick out seeds.
