

My name is Kaley. I work in the Mill Village in SC. I am a years old. My boss pays me 60. a day. I work in the spinning room. All my friends work with me. I was in the weave room but it was to hot, and peope alway got TB. I was one of the lucky ones. some people say that it is easy but it is not. I have some Probolems my friend are getting sick and hurt and were working more hours and getting paid less. What I like to do after work is go outside and play with my brothers and Sisters.
