Text: The Unguarded Gates

Author: Thomas Bailey Aldrich

3 key words

- Unguarded
- Tower of Babel
- White

Text Message:

In the poem Aldrich explains the good and bad of America. He uses the word unguarded to explain how we protect our land. We have it open to the world for all people to enter. He uses the words Tower of Babel to allude to when they built it in the Bible. He thinks that the different languages will cause America to fail.
